ORDER

Defendant in the above-captioned case previously filed a motion to dismiss, and briefing is currently stayed pending the completion of jurisdictional discovery in Fairholme Funds, Inc. v. United States, 13-465, a related case. Plaintiffs in Cacciapalle v. United States, 13-466, another related case, have now filed a motion requesting a partial lift of the stay and seeking limited discovery. Plaintiffs in this case have partially joined in that motion. The motion is fully briefed, and the court will conduct a telephonic status conference. The parties shall contact the undersigned's Judicial Assistant, Ms. Beryl Sanders, at 202-357-6644, by Monday, July 6, 2015, to advise regarding their availability during that same week to conduct the status conference.

IT IS SO ORDERED.
