## ORDER

A telephonic status conference shall be held in the above-captioned case on Friday, July 10, 2015 at 2:00 p.m. EDT. Plaintiffs’ counsel shall consult with plaintiffs’ counsel in Fairholme Funds, Inc. v. United States (13-465C) to determine whether they support the motion requesting a partial lift of the stay and seeking limited discovery in this case, in which plaintiffs in some of the related cases have partially joined. Plaintiffs’ counsel in this case shall inform the court as to that position during the status conference.

In addition, all counsel participating in the status conference—namely, counsel in Cacciapalle (13-466C), Washington Federal, Inc. (13-385C), Reid (14-152C), and Fisher (13-608C)—shall contact the undersigned’s Judicial Assistant, Ms. Beryl Sanders, at 202-357-6644, **by Thursday, July 9, 2015 at 4:00 p.m. EDT** to provide the telephone number at which each participant can be contacted for the status conference.

**IT IS SO ORDERED.**
