ORDER

The New York Times Company has filed a motion to intervene and for the de-designation of jurisdictional discovery materials in the above-captioned case. Defendant has filed a motion for an extension of time to, and including, August 17, 2015, to respond. The New York Times opposes any extension beyond July 27, 2015. The court has reviewed defendant's motion for an extension of time and concludes that defendant's request is reasonable, but not the amount of time requested. Consequently, the court **GRANTS IN PART** defendant's motion; its response shall be filed **by no later than Monday, August 10, 2015**.

IT IS SO ORDERED.
