ORDER

On January 2, 2014, the court granted plaintiffs’ unopposed request to suspend the briefing schedule for the United States’ motion to dismiss pending the court’s resolution of plaintiffs’ motion for discovery. On September 20, 2016, the court resolved plaintiffs’ motion for discovery. That decision was subsequently appealed by the United States and on January 31, 2017, the court implemented the mandamus issued by the United States Court of Appeals for the Federal Circuit on January 30, 2017.

The parties are therefore, hereby, **ORDERED** to submit a joint status report on or by Monday, February 21, 2017. In the joint status report, the parties shall propose a schedule for the completion of discovery as well as a schedule for the completion of briefing on the United States’ motion to dismiss.

IT IS SO ORDERED.
