Civil No. 15-109-ART

ORDER

*** **

In anticipation of the hearing scheduled for Thursday, July 14th, at 1:00 p.m., the Court has reviewed the parties’ briefing. It has come to the Court’s attention that a named defendant, the Federal Housing Finance Agency, is the conservator of the Federal National Mortgage Association (“Fannie Mae”). The undersigned owns sixteen shares of stock in Fannie Mae, and is concerned about the existence or appearance of any conflicts of interest. This was not picked up by the Court’s internal conflict check system because Fannie Mae is not a listed party. The Court apologizes for the oversight and would like to speak with counsel and address this matter as soon as possible.

Accordingly, it is **ORDERED** that a telephone conference is **SCHEDULED** for **Friday, July 8th, 2016, at 2:00 p.m.**, to discuss this matter. A court reporter is needed and will be provided by the Court. The parties must **DIAL IN** to this conference call **five minutes before the scheduled time** by following these steps:

- (A) Call AT&T Teleconferencing at 1-877-873-8017;
- (B) Enter access code 8284218 (followed by “#”); and

(C) When requested, enter the security code, 1234 (followed by “#”).

This is the 7th day of July, 2016.
