ORDER

On February 21, 2017, the parties filed a joint motion for an enlargement of time within which to file their joint status report. The parties indicate that they have been unable to reach an agreement on the issue of further discovery and they therefore request an additional three days so that each party may articulate its position on the issue. For good cause shown, the court **GRANTS** the parties' motion. The joint status report is now due on or by Friday, February 24, 2017.

IT IS SO ORDERED.
